## EMPTY HEART

(capo 5th fret)

Am  
So many roads I've wandered.  
Dm C F G Am  
Only to find they all lead to my door.  
Dm C F G  
So I don't have to search no more.

Am Dm Am  
I take the water to the thirsty.  
Am G F  
I sing my song to the empty sky.  
Am Dm Am  
I know the rains they have heard me  
C  
cry.

### CHORUS

C F  
I've got this empty heart -  
C F  
that I can't explain  
Am G F  
No longing for love, no sweet pain  
C F C F  
No voice I hear - in the still of night  
Am Am/G F  
Just an empty heart, full of light  
Am G F  
Resting in emptiness -

I've tried to name the nameless  
I've tried hard to understand  
When I closed my fist  
Well, of course I missed  
There was nothing in my hand.

I used to think I knew where I was going  
I used to think we had to get somewhere  
Now it's enough to watch the river flowing  
I've got this empty heart... (Miten)

## STRENGTH OF A ROSE

(capo 5th fret)

A D  
Wild flower in a wild wind  
A Bm E  
Wild voice singing deep within  
A D  
Wild night when your dreams come true  
Bm E  
It's happening to me and you

A D  
Wild river rolling to the restless sea  
A Bm E  
What is meant to be will be  
A D  
It's a wild life no matter what we do  
Bm E A  
It's happening to me and you

Bm E A  
Where I'm bound nobody knows  
Bm E A  
And I'm too far gone to take it easy  
Bm E  
Feel the grass beneath my feet when it grows  
Bm E  
Feel the wind in my hair as it blows  
Bm E  
I got the courage to be wrong  
A  
And the strength of a rose

Wild heart in a wild world  
The innocent eyes of a little girl  
Wild spirit in a wild dream  
Passing through this world alone  
A wild river rolling to the restless sea  
A white cloud moving silently  
A silver moon shining through  
Shining on me and you.  
(Miten)

## ALL IS WELCOME HERE

(capo 5th fret)

F                    Am  
Broken hearts and broken wings  
G                    Am  
Bring it all and everything  
F                    Am  
And bring the song you fear to sing  
G                    Am  
All is welcome here

C G      Dm  
La la la la  
    Am-G C  
La la la la la la  
C G      F-G  
La la la la la

Even if you broke your vow a thousand  
times  
Come anyhow  
We're stepping into the power of now  
And all is welcome here

See the father and the son  
Reunited here they come  
Dancing to the sacred drum  
They know they're welcome here  
I see the shaman  
And the mighty Priest  
See the beauty and the beast  
Singing I have been released  
And I am welcome here

I stood alone at the gateless gate  
Too drunk on love to hesitate  
To the winds I cast my fate  
And the remnants of my fear  
I took a deep breath and I leapt  
And I awoke as if I'd never slept  
Tears of gratitude I wept  
I was welcome here

So bring your laughter  
And bring your tears  
Your busy lives and your careers  
And bring the pain  
you carried for years  
All is welcome here  
Freedom is not so far away  
And there's only one price  
We have to pay  
Live our dreams till they fade away  
And let them go.
